International Multidisciplinary Engineering
Graduate Program:

Dear Sir or Madam,

I am enclosing a poster introducing the "International Multidisciplinary Engineering Graduate Program" at The University of Tokyo.

I hope excellent students in your school will be interested in our program and take advantage of this opportunity.

We appreciate if you would kindly display it on an appropriate bulletin board at your school.

Since the deadline of application, October 31st, 2018, is fast approaching, I would really appreciate your prompt cooperation.

Thank you very much.

Sincerely yours,

Satoshi Watanabe,
Professor and Chairperson,
IME Graduate Program
The Graduate School of Engineering
The University of Tokyo
